STURDY OLDER BRICK HOME ON A LARGE LOT. This 3/2 needs love but look at all the space you get for the money.

Cute kitchen with nice quality pine paneling, a movable dishwasher and a gas stove. The owners believe there is original wood under the carpets and you can see the wood floors in one of the bedrooms. The 3rd bedroom and 2nd bath are part of the addition which was done years ago. If you don't object to rolling up your sleeves and doing some work, you need to check this one out. Pretty backyard offers a large pecan tree and several storage buildings. Quiet older neighborhood only minutes from downtown.
